

# WATER INSTITUTE JWEMPO

Journal of Water Resources, Engineering, Management and Policy

## CALL FOR PAPERS: JWEMPO ISSUE NO. 2

The Journal of Water Resources, Engineering, Management and Policy (JWEMPO) invites scholars and researchers to submit original and Review Papers for its upcoming Second Issue. **JWEMPO is a peer-reviewed journal covering a wide range of topics related to the water sector, including:**

- a). Water resources assessment, development and management
- b). Engineering solutions for water infrastructure and systems
- c). Management practices and policies for water utilities
- d). Irrigation systems planning, design and operations
- e). Sanitation, hygiene and public health aspects of water
- f). Technical, financial and economic analysis of water projects
- g). Institutional frameworks and capacity building
- h). National, regional and international water policies
- i). Research, innovations and emerging trends
- j). Sustainability of water supply and sanitation services

Review, Theoretical, Technical and Applied Research Papers are welcome. Interdisciplinary, multi authored and cross-cutting papers that bridge multiple themes are especially encouraged.

**Please** visit the journal website ([www.jwemppo.ac.tz](http://www.jwemppo.ac.tz)) for full author guidelines and submission instructions.
